TERMS OF SALE

(Please Read Carefully)

1. BIDS BY MAIL, EMAIL, PHONE or FAX will be accepted until the closing date. All phone bids must be confirmed in writing on a signed bid sheet. Bids are treated as LIMITS. Bids are reduced where competition permits. In the case of tie bids, the first received is normally given preference. No "buy" or unlimited bids are accepted. Bids are accepted by lot number only. No lots are broken up. Bids are only executed in even dollar amounts.

2. This sale is NOT an approval sale. All material offered is guaranteed genuine and as described. Careful examination has been made of every lot. Cataloging errors will be cheerfully and promptly corrected. **FLOOR BIDDERS MAY NOT RETURN ANY LOTS** including those purchased while acting as agents. All claims for adjustment by other bidders must be made within five days of receipt but in no case more than 35 days after a sale. As the auction house acts as an agent for various consignors, NO CLAIM OF ANY KIND can be considered after settlements have been made. If a claim is not made within this 30 day period, no lots are returnable for any reason at any time. If we are notified prior to our settlement date that an opinion of condition, alteration or authenticity is being sought, the matter will remain open until such opinion is rendered. **Lots are not shipped until paid for in full.** Therefore, late payment will negate a return privilege. Any returned lot must be in its original holder with seal intact. Large miscellaneous or "bulk" lots cannot be returned for any reason.

3. **Successful floor and mail bidders are required to pay the full invoice amount before lots are delivered. Terms of this sale are strictly cash or an approved VISA or MasterCard (refer to Paragraph 5). Should payment be made by check (in any form), the auctioneer reserves the right not to deliver lots until funds have cleared, usually 14 business days.** First rate credit references and a 25% deposit are necessary to insure entry of your bids. Any portion of such a deposit not used will be promptly refunded after the sale. Any questions regarding the above policy should be made in writing to the auctioneer 7 days prior to the sale date.

4. **A 15% buyer's charge will be added to the successful bid price of each lot.** This 15% buyer's charge will be added to the invoice of each successful bidder without exception, and is payable by the buyer as part of the total purchase price. Additionally, 5% monthly interest is charged on all accounts 30 days past due calculated from the sale date. If any awarded lots are still on hand without a deposit 30 days after a sale, they will automatically be offered to the underbidders or relisted in the next available sale. The difference in price will be billed to the former bidder. Late payers should not expect to receive future catalogs.

5. **TERMS OF THIS SALE ARE STRICTLY CASH AND MUST BE PAID PROMPTLY IN U.S. FUNDS.** Payment should be made immediately upon receipt of the invoice. Payments from foreign accounts must be made in **U.S. Dollars by International Check drawn on a U.S. bank** or by wire transfer to the account of Craig A. Whitford Auctions, c/o Comerica Bank, Lansing, Michigan. (As a convenience, invoices may be charged to your VISA or MasterCard accounts. Please supply account number, signature and expiration date on your Bid Sheet. *Refer to your Bid Sheet for further instructions.*)

6. POSTAGE, INSURANCE and/or handling fees are added to ALL SHIPMENTS. *(Minimum charge of $3.00 per parcel).* All lots to be mailed to addresses not in the United States of America or its Territories, are charged an additional 1% insurance fee unless insurance is provided by the bidder. Overseas bidders must supply full detailed shipping instructions and agree to all terms as listed herein before shipment is made. We normally use registered airmail with return receipts and proper custom tags on overseas shipments.

7. SALES TAX will be collected under the laws of the state in which the sale is conducted unless a valid resale number is presented. **Sales Tax in the amount of 6% will be collected on all lots delivered within the State of Michigan.**

8. TITLE TO ALL LOTS REMAINS WITH THE AUCTION HOUSE until payment in full is received. The auction house reserves the right to accept or reject any or all bids at its discretion. Generally, bids below 60% of estimate will not be accepted. By placing a bid in this sale either in person, by agent, mail, email, phone or fax, you agree that this agreement is made in Michigan by the auction house's entry of your bid, and that disputes concerning the agreement shall be decided by the application of Michigan law. In the event of a dispute or nonpayment, the auction house may elect to proceed judicially, in which case the bidder consents to jurisdiction and venue in the courts of Ingham County, Michigan. If an account is referred to an attorney for collection, the buyer agrees to hold the auction house harmless and to indemnify it for all costs of collection, including actual, reasonable attorney's fees, with interest as provided in Paragraph 4 accruing on the entire amount until paid.

9. Items photographed in this catalog are of the actual items being sold.

10. **BIDDING IN THIS AUCTION SALE CONSTITUTES ACCEPTANCE BY THE BIDDER OF ALL THE FOREGOING TERMS OF SALE.**

Russia

An Important Offering of Russian Numismatic Material

The following 181 lots represent a fantastic specialized collection of Russian coins, medals and related material, most of which was meticulously assembled between the late 1920's and the early 1950's. As a collector, this individual possessed an eye for both quality and rarity; he was well studied and corresponded with the likes of such Russian numismatic authorities of the time as David Bullowa, O.P. Eklund, Adolph Hess and B. Max Mehl. In addition to obtaining knowledge, information and coins from these noted experts, important purchases were made both at auction and retail. Acquisitions were made from such famous names as Elder - 1936, Chapman - 1939, Rabin - 1944, Baldwin - 1945 and Johnson - 1947 as well as regular purchases from A.N.A. conventions, Randolph Zander, Stack's and Coin Galleries.

In some cases the original envelopes accompany the coins or lots, occasionally bearing additional notes or docketing from more recent research or inventory. The vast majority of this collection has not seen the light of day in the marketplace for over 50 years; we invite you to peruse this offering and bid accordingly, as many of the items may not be available again in so many years, if ever.

Patterson notes,

"I received this morning, your surety bond, and oath of office. - The first is in due form; but though I have made many inquiries of gentlemen here acquainted at New Orleans, I have not been so fortunate as to find any one acquainted with Mr. Berry or Mr. High, and I cannot give my official certificate that the bond is "to my satisfaction" without some assurance as to the character and property of your surety. I must pray you, therefore, to ask a certificate, on this point, from the U.S. District Attorney, for your District. He is the proper legal advisor on this occasion....Your oath of office, though it may satisfy me, does not satisfy the law, which is explicit in requiring that the oath be taken "before a judge of the United States."...When I took office, the law as to this Mint, was in the same words, and I had to go to the State of Delaware to find a U.S. judge, none being at the time in this city. I am sorry therefore, to be obliged to put you to the trouble of renewing your oath of office in legal form. The Comptroller of the Treasury, at Washington, to whom your papers are submitted in the last instance, is exceedingly punctilious as to a literal compliance with the law..."

As Mr. Forstall informs me had written you that he and Mr. Gordon considered the estimate very liberal for the first year, and as they are much better informed than myself on the subject, I can only add my concurrence in that opinion. I will however reiterate that your presence at the time of the institution going into operation would would in my opinion contribute greatly to the prompt attainment of the objects of the institution, the satisfaction of the community and the particular gratification and delight of myself, and I hope it will not inconvenience you to come on and I trust your visit will be attended with public utility and your personal comfort and enjoyment..."
